Seedling Catalogue
2016

Cherry Tomatoes

Golden Nugget
60 days, Juicy, mild, non-acidic. Resists cracking, early and abundant on compact bush plants good in containers and baskets.

Whipper Snapper
55 days, Det. Incredible bush with pink fruits, early, loaded, excellent for containers

Sweet Baby Girl
65 days, Indet. A classic! Super sweet red cherry

Yellow Pear
70 days, Indet. Small, yellow, pear-shaped, delicious and bright

Red Pear
70 days, Indet. Dates back to the 1700s. Wonderful snacking or salad tomato

Peacevine
75 days, Indet. Bears gazillions of clusters of 1” fruits, sweet/tart flavour

Cherry Tomatoes

Gardener's Sweetheart
70 days, Indet. Amazing heart-shaped cherry tomatoes with dense shiny fruit

Honeydrop
62 days, Indet. Sweet, juicy, fruity, honey-coloured treats. Rampant vines

Black Cherry
65 days, Indet. Red to reddish-brown. Sweet and full flavoured

Green Doctor's Frosted Cherry
80 days, Indet. Low acid, sweet, fruits. Green with yellow blushing; silver frost. Small oval fruits indescribably delicious.

Sungold Select
70 days, Indet. Fruity, similar to Sungold with a touch of tartness.

Teardrop Red Grape
65 days, Indet. Early, shiny and firm, high yielding and fairly split resistant

Saladettes & Small Slicer Tomatoes

Garden Peach
70 days, Indet. Prolific heirloom. Soft-skinned, juicy, velvet skinned and very sweet. Low acid

Green Zebra
75 days, Indet. Popular medium-sized fruit with sweet, zingy flavour

Glacier
55 days, Semi-Det. Super early with good flavour. High yields of mid-sized orange-red fruit. Great for small gardens or containers

Ida Gold
59 days, Det. Developed for short-season climates, bountiful, golf ball-sized, sweet tomatoes. Ideal for containers. Low acid

Dark Galaxy
75 days, Indet. Spectacularly beautiful, deep rich flavour. Dark brown-blue and rich red, speckled scarring

Jaune Flamme
75 days, Indet. Prolific French heirloom. Sweet, fruity flavour. Like a grown-up Sungold with apricot-sized fruits

Saladettes & Small Slicer Tomatoes

Early Latah
57 days, Det. A favourite early variety. Cold hardy, round red 3” fruits

Blue Gold
75 days, Indet. Stunning deep blue shoulders, golden underside. Juicy and good flavour

Green Tiger
70 days, Indet. Stunning elongated green fruit with darker stripes. Incredible flavour, prolific production

Money Maker
75 days, Indet. Old English heirloom. Intensely red, smooth, uniform, delicious

Paste Tomatoes

Speckled Roma
80 days, Indet. Excellent flavour. Stunningly beautiful. Prolific producer. Rich tomatoey sweetness

Paste Tomatoes

Amish Paste
80 days, Indet. An excellent, flavourful sauce tomato producing an abundance of medium to large fruits. Good raw

San Marzano
80 days, Indet. Classic Italian heirloom paste tomato. Super reliable favourite. Low acid

Black Plum
70 days, Indet. Small but delicious mahogany fruit, good for fresh eating and canning. Prolific

Heinz 2653
70 days, Det. A reliable, early standard processing tomato. Workhorse-like ability to mature loads of fruit at the same time

Roma VF
65 days Det. Productive plum, great disease resistance! Heavy yields of perfect, thick-walled fruit. Deep red colour, mild flavour

Ropreco
70 days, Semi-Det. Produtive, early heirloom sauce tomato. Reliable for short seasons. Excellent disease resistance

Slicers & Beefsteak Tomatoes

Cosmonaut Volkov
70 days, Indet. Early Ukranian variety. Richly flavoured taste test winner that's out of this world

Druzba
75 days, Indet. Russian heirloom. Fantastic, real tomato flavour on large, heavy yielding fruits. Stellar flavour

Golden Jubilee
80 days, Indet. Medium-large orange tomato ripens to a smooth textured sweet, golden 8 oz globes. Low acid

Moskvich
60 days, Semi-Det. High quality, early season, cold hardy, delicious, reliable red slicer. Russian heirloom. A favourite

Rose de Berne
75 days, Indet. Dark rose, well loved heirloom flavour, perfect blend of sweet and tart. Tops for taste. Round meaty slicer

Persimmon
80 days, Indet. Heirloom dating back to the 1800s, good in short-season gardens. One of the best-tasting yellow tomatoes. Low acid

Slicers & Beefsteak Tomatoes

Aunt Ruby's German Green
80 days, Indet. Superb sweet and slightly spicy with bright green flesh. One of the best tasting green tomatoes

Berkeley Tie Dye Heart
75 days, Indet. Multi-hued, rich flavoured beefsteak tomato that is an excellent slicer as well as a good choice for sauces

Black Prince
75 days, Indet. The prince of black tomatoes. Iridescent 6oz globes of garnet beauty. Delicious and beautiful

Mortgage Lifter
80 days, Indet. Large, meaty, very flavourful red fruit ranging from 1-3 pounds. Developed in the '30s by Radiator Charlie

Cherokee Purple
75 days, Indet. Large, flattened globe. Dusky pink, dark shoulders. Shorter vines. Superb flavour

Clear Pink
60 days, Semi-determinate. Early compact 3' plants are loaded with large, pink, juicy tomatoes with good flavour

Hot Peppers

Habanero
A Scotch Bonnet–type infamous for its extreme heat. Give these the hottest, most sheltered spot in your garden for a good harvest

Anaheim
70 Green, 85 Red. AKA Chile Verde. Heirloom cultivated for canning. 7” long tapering fruit. Pungent, but not particularly hot

Early Jalapeno
60 Green, 75 Red. Early producer of thick fleshed jalapenos specially selected for our short seasons. Reliably heavy bearer

Thai Hot
85 days. Hot, zesty pepper is also highly ornamental. Early pinching will produce a bushy 8” plant. Can be hung to dry with roots and all

Hungarian Hot Wax
75 days. One of the best quick-producing chilis for our cool climate. The fruits start yellow & mild, ripening to a bright spicy red

Maria Nagy’s Transylvanian
70 days. Long tapered, cayenne type from Transylvania. Good flavour

Hot Peppers

Czech Black Hot
65 days. Deep purple, shiny black fruits that ripen to an unbelievable deep red. Incredibly mild, with an unrivalled flavour

Ring of Fire Cayenne
70 green, 85 red. Short feathery plants with small firey cayennes. Excellent thin skin for drying or hot sauces

Boldog Paprika
75 red. A wonderously prolific, perfect paprika pepper with thin walls and an incredible flavour. Makes a divine deep paprika

Sweet Peppers

Jimmy Nardello
70 green, 85 red. Thin-walled 8” frying pepper. Sweet mild flavour, good raw and in stir-fries

King Crimson
60 Green, 75 Red. Early, medium-sized, 3-4 lobed bell peppers bred for our northern climate. Sturdy, prolific producers, good flavour

Sweet Peppers

Sweet Apple
65 Green, 75 Red. Short, heart-shaped, thick walls, sweet when green. One of our farm favourites

Sweet Chocolate
60 Green, 75 Red/Brown. Abundant producer of sweet, deep burgundy 4–6” tapered fruits turn from green to glossy brown

Stocky Red Roaster
65 Green, 80 Red. Red Italian with refinement. Sweet, juicy, heavy fruiting and long keeping

Round of Hungary
60 Green, 70 Red. Deeply lobed, squat, beautiful peppers. The sweetest, juiciest, best pepper around

Yankee Bell
65 Green, 80 Red. Thick walled, large bell peppers. Strong, large plants
